# XG3000 Series Value Compacts

### Synchro Shuttle Transmission Models

Makes changing direction easier than competitive non-shuttle gear models. 12 forward / 12 reverse gear transmission provides more operating speeds than others in its class for superior control, precision and safe operations for virtually any application

### MHI Tier 4 Engine

Good fuel efficiency with less noise and vibration

### Your choice of tires

Choose ag, industrial or turf tires at no additional cost

### Optional quick attach front end loader with skid steer compatible bucket

Easy to take off or attach loader and easily change loader attachments. With up to 1,900 lbs of lift capacity it outperforms others in its class. Grill guard comes standard with loader rather than an option like others in its class

### Rubber step mat

Good quality rubber step mat can reduce vibration and noise and prevent slipping

### PTO On/Off switch

Best easy and safety Independent PTO control with electric on/off switch. User friendly design and location for simple PTO operation.

### Easy open one-piece hood

provides accessibility for easy maintenance

### Simple gear range selections

Select your gear range or 2WD/4WD with simple move of the levers

### Optional quick attach backhoe

Remove or attach in seconds. With 76" digging depth, 2,817 lbs of digging force and 180° swing arc, it outperforms other in its class

### Comfortable seat

Comfortable ride with deluxe cushioned seat even during long operations
